

HAPPY  
Dear Dad, Birthdeay  
Dad!

You are truly my father. I don't care what a birth certificate says. You are the man that has always been there to fight for me, stand by me, and care for me. And dad that means everything to me. I know I don't show it often but you are my real father no matter what, no one can tell me different. Because to be a father you have to be there through the horrible times and still not give up, to be a father you have to teach right from wrong, to be a father you have to love your kids. And Dad you have gone above and beyond on all of these! I Love you dad even when I say I hate you or I wish you were never here I love you so much, you never left me. Keith left and made me feel like I couldn't be loved because he didn't want me but dad you proved me wrong and I'm so thank full for you!!

Love your (Thank you for another year  
= Daughter. with you dad)
